

Tennessee Academic Esports League (TAEL) is a registered 501(c)(3) nonprofit organization based in Tennessee. This policy explains what information we collect through tnacademicsports.com and how we use it.

Information we collect

We collect information you choose to give us: your name, school or district, email address, and related details when you fill out a form on our site (such as our contact, hardship, or purchase order forms, some of which are hosted through Google Forms), register for an event, or email us. If you use our Volt chat assistant, the messages you type are processed to generate responses. Please don't share sensitive personal information in the chat.

Payments

Payments and donations are processed by PayPal. We never see or store your credit card or bank information; PayPal handles that under its own privacy policy. We receive only your name, contact information, and the amount, which we use for receipts, records, and thanking our supporters.

How we use information

We use the information we collect to run the league: responding to inquiries, processing school participation and donations, coordinating competitions and events, sending league communications, and recognizing supporters (only with your permission). We do not sell, rent, or trade your personal information to anyone.

Students and children

Our website is intended for adults: coaches, school staff, parents, donors, and community partners. We do not knowingly collect personal information from children under 13 through this website. Student participation in TAEL programs is coordinated through schools and coaches, not through this site. If you believe a child has submitted personal information to us, contact us at info@tnacademicsports.com and we will delete it.

Third-party services

Our site links to and uses services operated by others, including PayPal, Google Forms, and social media platforms (Facebook, Instagram, LinkedIn, X). When you use those services, their privacy policies apply. We encourage you to review them.

Data retention and security

We keep information only as long as we need it for league operations and legal or tax requirements, and we take reasonable steps to protect it. No method of transmission over the internet is completely secure, so we cannot guarantee absolute security.

Your choices

You can ask us what information we have about you, ask us to correct it, or ask us to delete it by emailing info@tnacademicsports.com. You can unsubscribe from league emails at any time using the link in any message.

Changes to this policy

If we update this policy, we will post the new version here with a new effective date.
